FNRI BIDS AND AWARDS COMMITTEE

RESOLUTION # 2024-06-10

Project: Procurement of Assorted Laboratory Supplies

WHEREAS, Section 48, Rule XVI, Alternative Methods of Procurement of the Revised Implementing Rules and Regulations (IRR) of R.A. 9184, otherwise known as the "Government Procurement Reform Act" provides that in order to promote economy and efficiency, the procuring entity may resort to any of the alternative methods of procurement;

WHEREAS, Section 50 further provides that **Direct Contracting** or single source procurement is a method of procurement of goods that does not require elaborate Bidding Documents. The supplier is simply asked to submit a price quotation or a pro-forma invoice together with the conditions of sale. Direct Contracting may be resorted to under any of the following conditions:

- a. Procurement of Goods of proprietary nature which can be obtained only from the proprietary source, i.e. when patents, trade secrets, and copyrights prohibit others from manufacturing the same item;
- b. When the procurement of critical components from a specific supplier is a condition precedent to hold a contractor to guarantee its project performance, in accordance with the provisions of its contract; or
- c. Those sold by an exclusive dealer or manufacturer which does not have sub-dealers selling at lower prices and for which no suitable substitute can be obtained at more advantageous terms;

WHEREAS, upon review of the attached Purchase Request No. 2024-05-282, Project Procurement Management Plan (PPMP) and the supplier's Certificate of Sole/Exclusive Distributorship, the BAC finds that the above conditions for Direct Contracting are satisfied;

NOW THEREFORE, in the light of the foregoing considerations, We the members of the Bids and Awards Committee, hereby resolve as it is hereby resolved:

- d. To recommend the procurement of the Assorted Laboratory Supplies through Direct Contracting in favor of **Metro Drug, Inc.** in the amount of **One Million Eight Hundred Fifty-Seven Thousand One Hundred Eighty-Four Pesos and 76/100 (₱1,857,184.76)**; and

- e. To recommend for the approval by the Director of the Food and Nutrition Research Institute the foregoing findings.

RESOLVED this 3rd day of June 2024.
